Answer: D

NEW QUESTION: 3

An examination of the relationship between performance and the expense ratio indicated that _____.

- A. bad performance was associated with low expense ratios
- B. there was no association between performance and expense ratios
- C. good performance was associated with low expense ratios
- D. good performance was associated with high expense ratios

Answer: C

Explanation:

Explanation/Reference:

Explanation:

An examination of the relationship between performance and the expense ratio indicated that good performance was associated with low expense ratios; in one way, it is because management expense is money not invested in the portfolio of shares and/or bonds. Expense is necessary however when one needs to shift to better performing stocks according to market changes.
