NEW QUESTION: 1

You are managing a project with team members located at customer sites on three different continents. As you plan communications with your stakeholders, you should review_____

- A. Stakeholder register
- B. Communications model
- C. Stakeholder management plan
- D. Communications channels

Answer: A

Explanation:

The stakeholder register is an input to the plan communications management process. It contains the identified stakeholders including their name, position, location, and role; their main requirements, expectations, and potential influence; and whether or not they are supporters, neutral, or resistors of the project. [Planning] [\[email#160;protected\]](#), [\[email#160;protected\]](#) Guide, 2013, 291, 398
